Subject: RE: Draft Rosemont email to SPD for Alexis

Looks good. I made minor edits for your consideration. Please send along....

Thanks

Tomás

Dear Colonel Helmlinger,

I recently received a copy of your December 28, 2016 letter to Hudbay regarding the status of the Rosemont mine permit application. Our concerns with the project, as referenced in your letter remain unchanged, particularly with respect to degradation of Cienega Creek in violation of water quality standards.
